

Ecquaria Business Licensing System

is an electronic one-stop portal for the *entire business lifecycle*, including all business registration and licensing needs.

Ecquaria BLS is built upon:

- Citizen-centricity and established principles of government efficiency
- Extensive experience with licensing processes in numerous countries
- Proven results from customers
- Quality technology standards

How Ecquaria BLS works

②

Ecquaria BLS validates licence applications and routes them to respective agencies.

Behind the scenes, Ecquaria BLS manages interaction between agency and public users, and between different agencies if necessary.
